send him towards the danger (***kolejbába***)

Thanks bro! I'll go hide all my stuff...
Ya want to try some? Here, for your help...

Thanks...

Really? She has a gift for me? How sweet! Maybe I can give her some of my stuff as well... You want to try some?

YES

You received a suspicious mushroom...

OK?

Hello there!

ask to borrow her pot

General Kenobi!

Oh, you are not the bold one... Bye.

STEAL IT!

YAY! Hey, I heard you need a pot. I don't really have any, but I'll give you this cauldron. I mostly use it for cosplays!

Thanks!

Have you seen my cauldron? It's an important costume prop...

No...

Oh, hey! Good luck with your cooking!

Thanks.

Hey, that's my favorite science-fiction fan! Of course I'll lend you my cauldron again.

Thanks!

Stupid students drive me crazy!

nod stupidly

What do you want???

The electricity doesn't work...

Huh? Again??? I'll call the electrician.
He'll be there in a minute...

Thanks.

That stupid electrician electrocuted himself and now he can't come. I have to do it myself.

AGAIN

OK.

Everything is broken at this place... And the new Erasmus students only make mess everywhere and their rooms smell so bad!!!
I need to take a look at that...

STUPID **students!**

OK?

It’s beautiful when the problems get rid of themself.

OK...
